

## 2010 CSA Registration

A share is a ½ bushel of freshly picked produce every week throughout the growing season for \$650.00. Our shares begin the first week of June and run for 21 weeks ending in October. An egg share is also available for an extra \$75. You will receive a dozen eggs each week with your vegetable share. Our laying hens are free-range, and we feed them 100% organic feed. We will send an email confirmation to you once your registration has been processed. Thank you for supporting our local farm!
